

## Tim Cohen

Editor - Business Day

Tim Cohen is the editor of Business Day. He began his journalism career on Dome newspaper, the official student newspaper of the University of KwaZulu-Natal, whose production schedule was largely dependent on the availability of beer. He graduated to the last outpost, The Natal Witness, which was fuelled by tea, but was subsequently lured to the coffee-infused domain of Business Day. On Business Day, he was political correspondent, finance editor, London correspondent and editor at large, among a variety of other posts. It was probably the coffee.
